WHEN CUPID FLAGS THE TRAIN.
Three days with sad skiddoo have come and went,
Yet Pansy cometh nix to ride with me.
I rubber vainly at the throng to see
Her golden locks—gee! such a discontent!
Perhaps she's beat it with some soapy gent—
Perhaps she's promised Gill the Grip to be
His No. 1 till Death yells "23!"
While I am Outsky in the supplement.

Now and anon some Lizzie flags the train.
And I, poor dots, cry, "Rapture, it is her!"
Yet guess again—my hope is all in vain—
And Pansy girl refuses to occur.
If this keeps up I think I'll finish swell
Among the jabbers in the padded cell.

ONE MILLION

For Former Slaves if This Bill Passes Congress

Former slaves or their heirs are to be benefited to the extent of a million dollars if a bill favorably reported by the House Committee on Banking and Currency becomes a law. The measure, which has been in Congress many years, has passed the Senate.

It is based upon the claims of former slaves who lost money deposited in the Freedman's Bank, which was established in Washington for the benefit of Negroes soon after the close of the Civil War. The Bank failed after a brief existence and for more than thirty-five years the Negro depositors or their heirs have been trying to induce the Government to reimburse them.

Fleming county Democrats will not nominate county officers until after the next November election.

General Manager William Elliot of the Society of Equity at Henderson has cabled from Liverpool the sale at thirteen cents of one hundred and sixty-eight hogheads of the 1906 crop of tobacco put up at Dixon, Webster county.

A century ago there was no restriction whatever upon the use or sale of liquor. Today in nearly every State there are restrictive laws, most of them drastic. The initial campaign for restrictive legislation began in 1844. The real temperance revival following the Civil War began in Hillsboro, O., in 1874, when a band of women invaded the saloons with prayer and song. Out of this movement came eventually the Women's Christian Temperance Union.

Yesterday the "nothing doing sign" was displayed conspicuously in the Police Courtroom. The old town has been in a somnolent state here of late, for a fact.

POLLITT—WILLIAMS.

Mr. Thomas A. Pollitt, aged 21, and Miss Laura Williams, aged 26, both of Lewis county, were married yesterday in the parlor of the St. James Hotel. Rev. G. W. Bunton of the Third Street M. E. Church officiating.

Among Miss Woods' graduates recently placed are Ophelia Holiday with City Attorney Collins, Caribel Dryden with P. P. O'Donnell and May Wallace with The Bulletin.

The Princess Rink will close tonight for the season, after enjoying a very prosperous run of 32 weeks. There will be an aching void in the hearts of the girls and boys who have so industriously patronized the Rink from start to finish. The resort will reopen about October 1st in a blaze of new glory.

REV. SAMUEL TATE EVANS.

The Rev. Samuel T. Evans, an aged Minister of the Baptist Church, passed away at 6:30 o'clock Thursday evening, of the infirmities of age, after a short illness.

Rev. Evans was born near Dover January 8th, 1826, and was in his 83d year. His venerable wife, aged 85, survives him, with three daughters, Mrs. J. L. Boyd of Indiana and Mrs. C. Z. Overturf and Mrs. G. W. Reese, the latter being the home in Dover of the aged couple. Deceased also leaves one brother, Mr. William Evans of Bracken county, who, although quite old, is still hale and hearty.

The funeral of Rev. Evans occurred at Dover today, with interment in the Cemetery there. He was a meek and Godly man and his redemption is assured.

CALL FOR REPUBLICAN PRECINCT MEETINGS.

Under the rules of the organization in the State, and pursuant to the directions of the County Committee, the Republicans of the various Precincts of Mason county are called to assemble in their respective Precincts, at the usual voting places, on Saturday, May 2d, at 2 o'clock in the afternoon, and are directed to elect a Precinct Chairman to serve for the ensuing four years. The Chairman of the meeting will certify the result to A. M. January, Secretary of the County Committee.

W. D. COCHRAN,
Chairman Republican Executive Committee Mason County.

FOURTEEN hundred persons attended the opening baseball games of the two major leagues last week, paying approximately \$80,000 for admission. These be hard times, forsooth.

THE Louisville Post in commenting on the recent Republican County Conventions and in summing up the results, says—

"The contested votes are nearly all TAFT votes, and the State Convention will so decide. Out of the 2,000 votes in the Convention, the Taft men will hold the regular credentials of fully 1,300. If the Fairbanks men get 700 votes they will get more than the voters gave them. The Taft men will organize the Convention, will try the contest cases fairly, and will speedily dispose of the fake contests, manufactured by the Fairbanks men and the Bradley Democrats.

"Every District East of Louisville is safe for TAFT. With the four delegates from the State this will give TAFT eighteen out of the twenty-six votes of the State. TAFT will also get the two delegates from the Third District, and has at least an even chance of the two delegates from the Fourth. Therefore, out of Kentucky's twenty-six votes, TAFT will get twenty or twenty-two."

What do you say? Let's give the city a general cleaning. Do you second the motion, Mr. Board of Health?

At Winchester, John Hopper, aged 60, was given eleven years in the Penitentiary for the killing of Larkin Lee, aged 18.

THE Enquirer headlines state that Marse BRADLEY is going to stampede the State Convention and capture it with his oratory. Well, the Kentucky supporters of Secretary TAFT are from Missouri.

WHY does Marse HENRY call on the Democrats to seek their tents, "Oh, Israel!" Why not say "Come out, McCARTY, and fight it out like true Irishmen." The sulking is always done in tents—and the drinking, too.

A NEWS item says that the refusal of Connecticut to instruct for BRYAN "was a blow to BRYAN's hopes." We would like to see the thing that would make an impression on BRYAN's hopes. Mr. BRYAN's hopes are perennial and of the eternal variety.

ALTHOUGH Kentucky's annual whisky output has decreased from 25,000,000 gallons to 13,000,000 gallons, the outlawry and other crimes are on the increase. With whisky and tobacco both tabooed, old Kentucky will have to be placed in a straight jacket.

A FRIEND of ours, who is for HUGHES for President, declares that HUGHES will win because Pennsylvania gave her 64 votes to KNOX. Now, what do you think of that? It has now reached a stage in the quadrennial President-making when knocking is not going to help or hinder anybody. However, the vote of Pennsylvania is as certain for TAFT as is the vote of Ohio.

A TRAGEDY.

The blue sea glittered in the spring sunshine. "Dear, if you refuse me," he groaned kneeling before her on the white sand, "if you refuse me I shall die!" The beautiful but heartless coquette refused him. That happened during the Easter holidays of 1846, and yesterday, true to his word, he passed away.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

No other medicine for Woman's ills in the world has received such wide-spread and unqualified endorsement as has Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

No other medicine has such a record of success for woman's diseases, or such hosts of grateful friends as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been the standard remedy for feminine ills, Inflammation, Ulceration, and consequent Spinal Weakness.

It has relieved more cases of Backache and Local Weakness than any other one remedy. It dissolves and expels tumors in an early stage of development.

Irregularities and periodic pains, Weakness of the Stomach, Indigestion, Bloating, Nervous Prostration, Headache, General Debility, quickly yield to it; also deranged organs, causing pain, dragging sensations and backache. Under all circumstances it acts in harmony with the female system.

It removes that wearing feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, dizziness, faintness, sleeplessness, flatulency, melancholy or the "blues." These are indications of Feminine disorders, which this medicine overcomes as well as slight derangement of the Kidneys of either sex.

Women who are sick and want to get well should refuse to accept any substitute for Lydia E. Pinkham's Vegetable Compound.

The Ledger is THE Local Paper.

BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarets and after using them I can willingly and cheerfully say that they have entirely cured me. I therefore let you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering from Women's Ailments.

I am a woman. I know woman's sufferings. I have found the cure. I will mail, free of any charge, my home treatment with full instructions to any sufferer from woman's ailments. I want to tell all women about this cure—your mother, your sister, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. Men cannot understand woman's sufferings. What we women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharges, Ulceration, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Uterine or Ovarian Tumors or Growths; also pain in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weariness, kidney and bladder troubles where caused by weaknesses peculiar to our sex.

I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book—"WOMAN'S OWN MEDICAL ADVISER" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. "You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and effectually cures Leucorrhoea, Green Discharge and Painful or Irregular Menstruation in Young Ladies. Plumpness and health always results from its use.

Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and rosy. Just send me your address, and the free ten day's treatment is yours, also this book. Write today, as you may not see this offer again. Address

LONDON, May 1st.—That he has perfected an invention by which he can set type on ordinary Linotype machines in Paris by wireless waves thrown from London was the statement made in London at the Hotel Cecil by Hans Knudsen, a Danish inventor, after giving his first public demonstration of long distance wireless photography.

"I shall publicly demonstrate my new wireless typesetting invention within a few weeks," said Knudsen. "I have already had the first machine constructed and it has proved successful, setting 3,000 words an hour at a distance just as if an operator were working the machine."

BRADLEY DRAWS BLANK

President Will Ignore New Senator in Kentucky Appointment

WASHINGTON, May 1st.—President Roosevelt told a Kentucky Congressman Thursday that he intends to appoint a Surveyor of the Port at Louisville soon. He will wait until all of the Kentucky Republican Congressmen return, and will then act.

It is understood that Senator Bradley will not be asked for a recommendation.

BOARD OF EDUCATION

At the regular meeting of the Board of Education Thursday evening the following resolution was offered and was, on motion, unanimously adopted and ordered placed on the records of the Board of Education of the City of Maysville:

Resolved, That this Board of Education hereby express its appreciation of the splendid services rendered the cause of education in our city by Prof. D. S. Clinger, and that we recognize in him a man of sterling character and an educator of unquestioned ability; that the relations between the Board of Education and Prof. Clinger have always been characterized by perfect harmony, and that the Board has absolute confidence in him as an industrious, thoroughly equipped school man, and that we sincerely regret that he thinks it best at present to decline a re-election.

We furthermore desire to express our appreciation of the many courtesies he has shown this Board, and that we heartily commend him as a man and as an educator worthy of the consideration of any Board of Education.

CONGRESS

Bows to the Desires of the President and Will Pass Needed Legislation

WASHINGTON, D. C., May 1st.—The House has surrendered to the President.

He can have everything that Republican leaders in that body can deliver.

Succumbing to pressure from the Administration and Republicans who feared the wrath of November elections, House leaders have effected a right-about face. The Interstate Commerce Commission has been given money asked under the Hepburn Rate Law. The introduction of the Anti-Injunction Bill by Republican Floor Leader Payne is taken as assurance that it will go through before adjournment.

McCall's National Campaign Contribution Bill is to be called up for passage. The first step toward Tariff revision had been taken when Payne introduced a resolution to authorize the Ways and Means Committee to gather information during the summer with which to revise the Tariff.

Speaker Cannon will no longer oppose the amendment to the Sherman Anti-Trust Law. The Child Labor Bill for the District of Columbia will be pushed through.

Beware of Ointments For Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

DECLINES CALL

Rev. M. B. Adams to Retain His
Pastorate at Frankfort Church

The Rev. M. B. Adams, Pastor of the First Baptist Church at Frankfort and former President of the Kentucky Anti-Saloon League, will continue his work in Frankfort and take part in the reform movements in the State as heretofore. He has just notified the congregation of the First Baptist Church at Jackson, Tenn., that he declines the flattering call which they extended him.

Unanimous resolutions were passed by the congregation of the Frankfort Church requesting Dr. Adams to remain, and many prominent citizens of the city and hundreds from out in the State importuned him not to leave the Kentucky field.

Although offered a considerable increase in salary and a larger local field, Dr. Adams elected to stay with the people who love him so well.

How to Cure Indigestion

Well Known Family Physician Gives Good Advice

"When a person cannot eat ordinary food without discomfort afterward, when he has heartburn, sick headache, gas on the stomach, water brash, belches up sour food, and this condition has continued for a week or more, it certainly is time to do something and do it quickly." That's what a popular physician recently said to the writer. "First thing you know you'll have dyspepsia if you don't," said he.

The quickest and best way to regain your normal condition is to step into the drug store and buy a 50c bottle of Dr. Caldwell's Syrup Pepsin. It gives natural, daily movements to the bowels, and that is usually where more than half the trouble lies. Then it aids digestion, sweetens the stomach, acts on the liver and is a general system tonic.

Postmaster Ridgill, of Bruceville, Tex., had such a severe attack of dyspepsia that his stomach, liver and bowels seemed almost paralyzed, but a few doses of Dr. Caldwell's Syrup Pepsin relieved him and today he is well as ever. Maude Hall, Alpena, Mich., says that one bottle cured her of a very severe case of indigestion.

A. L. Espich, Chief of Police, New Philadelphia, Ohio, says: "I find Dr. Caldwell's Syrup Pepsin the best remedy for indigestion I ever used. I would not be without it." Rev. A. J. Fletcher, Rutherford, Tenn., is now 80, and yet it cured him of stomach trouble of 60 years' standing. Mrs. Mattie Crouch, Tiptonville, Tenn., cured her five months' old baby of indigestion with it, so you see that while it is so effective it will cure cases of long standing of dyspepsia and constipation in old people, it is perfectly safe for babies, and it is pleasant to take, and does not pain or gripe.

All druggists sell it at 50c and \$1.00 per bottle. Pepsin Syrup Co., 307 Caldwell Bldg., Monticello, Ill., are glad to send a free sample to any one who has not used it and will give it a fair trial.

TESTED AND PROVEN

There Is a Heap of Solace in Being
Able to Depend Upon a Well-
Earned Reputation.

For months Maysville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. John E. Burns, living in the Western part of Maysville, Ky., says:

"I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. Prior to their use I was subject to frequent attacks of kidney trouble. At times the pain in my back was so acute that I was rendered almost helpless and confined to my bed for days at a time. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have elapsed I have had no serious return of kidney trouble. On some occasions I have felt a slight backache, but a few doses of Doan's Kidney Pills have never failed to ward off any serious trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A Bad Sign

J-22

Irregularity is bad in every department of life, in meals, in sleeping hours, but especially when it is a question of womanly habit. Not only is it a sign of female disease, but, unless cured, it will cause dangerous troubles, because of the poisons thus allowed to remain in the system.
If you suffer in this way, get a bottle of

Wine of Cardui

Mrs. Lucinda Johnson, of Fish Creek, Wis., writes: "I suffered for fourteen (14) years with irregularity, causing great pain. At last I tried Cardui, and now I am cured." At all druggists, in \$1 bottles.
